Good Clean Teeth

Good, clean, sound teeth are synonymous with good health. You will find, as a rule, that a person with sound, even teeth seldom complains of ill health. This is because thorough

Mastication. Is an all-important part of the process of digestion. If your teeth are in perfect condition you are able to thoroughly masticate your food. If your teeth are weak and decayed, your food is not properly masticated. This leaves all the work of digestion to your stomach, which Nature did not intend. Therefore, For Your Health's Sake

You should see that your teeth are thoroughly cleaned at least three times a day. Not alone for the sake of your health, but also for the sake of appearance. You will find below the requisite articles for good health. Desires for a delightful wash for the month, and one of the best preparations for the teeth that we know of.
