### +++++ WHY WITNESSES THINK BELIEVES MRS. FAIR WAS THE FIRST DOCTORS

Because he drank too much.

Because he thought his wife tried to poison him.

Because he had exalted ideas of his own importance.

BARTENDERS

r, John M. Williamson Grees
Evidence in the Case of the
Two Victims of the Automobile Accident in France Because he washed his glass before he drank from it. Because he asked if bartenders would poison him. Because he took cigars instead of drinks and preferred to drink at the bar rather than in a room.

Most of Yesterday's Evidence Dealt with the Millionaire's Drinking Propensities

EXPERTS to the right of Griffith J. Griffith, experts to the left of him, amperts in front of him and more behind him, rolleged and thundered in Judge Smith's court yesterday till everybody in the jammed courtroom get the headache and only a few abnormally acute reasoners could tell who was what what was what it have experts unlocked all the Griffith closets and danced all the Griffith family skeletons in the public eye.

There were so many of them that the defense has only a few left that can be called today.

There were so many of them that the defense has only a few lest was to called today.

They were all out yesterday to prove that when Griffith such is wife the eye in Santa Movids on September 3 he was justane.

So long as they answered the questions deftly put to them by Griffit chief lawyer, Earl Rogers, their sovies make convincing pieces of mossio. "I when former Governor Gage, in charge of the procession, got after them, or the seventh doughter of a securit doughter born with a veil could tell acrately whether Griffith was ahead or behind his licket.
