

{{Expedia~CustomerHelp}} Can You Cancel and Get a Refund on Expedia? (Full Process)[™]

Yes, you can cancel and get a refund on Expedia +1-(877-745-0080), but it depends on the type of booking you've made and the terms and conditions associated with it+1-(877-745-0080). Expedia is a travel booking platform that acts as a middleman between travelers and service providers such as airlines, hotels, car rentals, and vacation packages+1-(877-745-0080). When you book through Expedia, the cancellation and refund policy is typically determined by the airline or hotel's own rules, and not necessarily Expedia itself+1-(877-745-0080). For instance, many airlines offer both refundable and non-refundable tickets +1-(877-745-0080), and if you chose a non-refundable fare, getting your money back might be more difficult+1-(877-745-0080). However, Expedia does offer options to cancel most bookings online by logging into your account, locating your itinerary, and selecting the "Cancel" option if it is available+1-(877-745-0080).

In some cases, Expedia provides a 24-hour free cancellation policy +1-(877-745-0080) for flights, which complies with the U.S. Department of Transportation's rule allowing customers to cancel or change flight bookings without penalty within 24 hours of purchase, provided the flight is at least seven days away+1-(877-745-0080). This policy may not apply to all international airlines or discounted fares, so it's crucial to review the cancellation +1-(877-745-0080) terms during checkout. For hotel reservations, many listings on Expedia are marked as "Free Cancellation," which generally allows you to cancel up to a certain date and time without being charged+1-(877-745-0080). But keep in mind, non-refundable hotel deals often come at a lower rate, and once booked, you may not get a refund if you cancel, even if it's just hours later+1-(877-745-0080).

If you booked a bundle—such as a flight and hotel together—the refund process can be more complicated +1-(877-745-0080). Each component of the package might have a different cancellation policy, so Expedia will process each refund +1-(877-745-0080) separately based on the individual terms of each provider. Refund timelines also vary; while some refunds are processed within days, others might take weeks to reflect +1-(877-745-0080) in your account, especially if third-party partners are involved. If your trip was affected by unforeseen events such as natural disasters, medical emergencies, or flight cancellations by the airline, Expedia customer service +1-(877-745-0080) might be able to advocate for you to receive a partial or full refund +1-(877-745-0080), even for otherwise non-refundable bookings +1-(877-745-0080).
