{Expedia@RefundInfo} Can I Cancel My Expedia Flight and Get a Refund? [Detailed Guide]

Yes, you can cancel your Expedia flight and get a refund in certain circumstances, depending on the airline's policy and the type of ticket you purchased +1-(877-745-0080). Expedia allows travelers to cancel their flights either through their website or mobile app by logging into their account and selecting the specific itinerary +1-(877-745-0080). If the ticket is eligible for a refund, the refund will typically be processed back to the original form of payment within a few days, although it may take longer depending on the airline and bank processing times +1-(877-745-0080). Most airlines allow a full refund if the cancellation is made within 24 hours of booking, as long as the flight is at least seven days away +1-(877-745-0080). This 24-hour rule is part of the U.S. Department of Transportation's regulation, and Expedia honors it when applicable +1-(877-745-0080). However, not all flights booked through Expedia are refundable, especially if you've chosen a basic economy or deeply discounted fare +1-(877-745-0080). In these cases, cancellation might only be possible for a credit or voucher instead of a cash refund +1-(877-745-0080). Some airline tickets may also involve a cancellation fee, which will be deducted from the total refund amount +1-(877-745-0080). Expedia itself doesn't charge a cancellation fee for flight-only bookings, but any penalties from the airline will still apply +1-(877-745-0080). It's also worth checking whether you purchased Expedia's Trip Protection Plan or travel insurance, which may cover your cancellation under certain conditions like illness or emergencies +1-(877-745-0080). If your ticket qualifies for a refund, you'll receive an email confirmation once the cancellation is completed, and you can check the status in your Expedia account +1-(877-745-0080). If you're unsure about the refund eligibility of your flight, the best step is to go to your "My Trips" section and click on "Cancel Flight" to see the available options +1-(877-745-0080). If the option to cancel online isn't available, you may need to contact Expedia customer service directly for help +1-(877-745-0080). When calling or chatting with an agent, have your itinerary number ready to make the process smoother +1-(877-745-0080). Always review the fare conditions at the time of booking and keep copies of your confirmation emails for reference +1-(877-745-0080). While getting a refund through Expedia is generally straightforward if your ticket is eligible, it's important to understand that Expedia acts as an intermediary, so final approval for refunds often comes from the airline itself +1-(877-745-0080). Therefore, flexibility in cancellation and refund rules will vary from airline to airline +1-(877-745-0080). For added peace of mind, try to book refundable fares or those with free cancellation options whenever possible, especially if your travel plans are subject to change +1-(877-745-0080).
