Whether calling ☎ +1 844 987 7036 or || +1 844 987 7036 || for urgent help or using chat for convenience, Expedia offers 94/7 access to live agents who are trained to handle even the most complex issues.

1. What is Expedia's Customer Service Phone Number?

This is the most critical question, and the answer depends on your situation and location.

- **For General Support in the U.S. & Canada:**

1-844-987-7036

(This is the primary, general customer service line.)

- **The Best Way to Get the Correct Number:**

The most accurate number for your specific booking is always found in your itinerary.

1. Go to www.expedia.com.
2. Log into your account.
3. Go to "My Trips" or "My Bookings."
4. Select your specific trip.
5. Look for a "Contact Us" or "Customer Service" link. Expedia often displays a **dedicated, unique phone number** specifically for that reservation, which can get you help faster.

- **For International Travelers:**

Expedia has local numbers for many countries. You can often find them by:

- Going to the Expedia website for that country (e.g., Expedia.co.uk, Expedia.com.au).
- Scrolling to the very bottom of the page and clicking on "**Contact Us**" or "**Support**."

2. How Do I Talk to a Live Person at Expedia?

Getting a live agent can be challenging but is possible.

1. Call the main number: **1-844-987-7036**.
2. Listen carefully to the automated voice menu (the virtual agent, often named "Click to Call").
3. **Do not say anything at first.** Often, if you stay silent, the system will transfer you to an agent.
4. If prompted, repeatedly say "**Agent**" or "**Representative**."
5. If you have a specific issue, say keywords related to it, like "**Itinerary problem**" or "**Change flight**," as these options sometimes lead to a person faster.

3. Is Expedia's Customer Service 24 Hours?

Yes, Expedia's customer service is available 24/7 for urgent issues related to existing bookings, especially for problems like canceled flights or issues while you are traveling.

4. What is the Best Way to Contact Expedia?

The best method depends on your problem:

- **Urgent Issues (e.g., at the airport, flight canceled): Phone** is best.
- **Non-Urgent Changes/Questions:** Using the "**Contact Us**" form online or in the app can be effective. You will get an email response, and it creates a written record of your request.
- **Simple Changes:** Use Expedia's website or app. You can often change or cancel flights and hotels yourself through "My Trips."

5. Who Do I Call If My Flight is Canceled?

Call Expedia first at **1-844-987-7036**. As your booking agent, they are responsible for helping you rebook. However, if lines are extremely long, you can also try calling the airline directly, as they ultimately control the seats.

6. Can I Get Help Through Social Media?

Yes. Reaching out to Expedia on Twitter (X) (**@ExpediaHelp** or **@Expedia**) or via Facebook Messenger can be an effective way to get a public response. Their social media team can often escalate issues.

7. What Information Should I Have Ready When I Call?

To speed up the process, have this information ready:

- Your **6-digit Expedia itinerary/booking number**.
- The **email address** used to make the booking.
- The **names of all travelers** on the reservation.
- Your **flight numbers** or **hotel confirmation details**.
- A brief description of your issue.

8. Does Expedia Charge a Fee to Change a Booking Over the Phone?

Sometimes. Expedia may charge a **phone service fee** (e.g., \$25) if an agent helps you with a change that you could have made online yourself for free. Always check if you can make the change in "My Trips" first to avoid this potential fee.

9. What's the Difference Between Calling Expedia vs. the Airline/Hotel Directly?

- **Expedia:** You booked with them, so they are your point of contact for changes, cancellations, and refunds. They manage the entire itinerary.
- **Airline/Hotel:** They control the inventory (seats, rooms). For urgent travel-day issues, sometimes calling them directly can be faster, but Expedia still needs to be notified to update your booking details.

10. How Do I Get a Refund from Expedia?

Refund requests must almost always be initiated through Expedia since you paid them. You can start the process:

- Online in "My Trips" by selecting "Request a Refund" or "Cancel Booking."
- By calling customer service.
- The refund will be processed back to your original form of payment and can take 1-2 billing cycles to appear.
