

Toulmin Argument Worksheet

The diagram illustrates the Toulmin argument structure with the following components and connections:

- REASONS**: A vertical box on the left containing 10 numbered lines (1-10).
- CLAIM**: A box on the top right containing 4 horizontal lines.
- QUALIFICATION**: A box in the middle right containing 2 horizontal lines.
- RESERVATIONS**: A large box on the bottom right containing 10 horizontal lines.
- WARRANT**: A box on the bottom left containing 3 horizontal lines.
- BACKING**: A box at the bottom left containing 4 horizontal lines.

Flow of information is indicated by blue arrows:

- Three arrows point upwards from the **REASONS** box to the **CLAIM** box.
- One arrow points from the **REASONS** box to the **CLAIM** box.
- One arrow points from the **CLAIM** box to the **QUALIFICATION** box.
- One arrow points from the **QUALIFICATION** box to the **RESERVATIONS** box.
- One arrow points from the **RESERVATIONS** box to the **WARRANT** box.
- One arrow points from the **WARRANT** box to the **BACKING** box.
